

Franklin County

Community Health Assessment Survey 2018

We are conducting a community health assessment for Franklin County. We can better understand the needs of the community by gathering voices from the community.

This survey allows community members like you to tell us what you think are important issues in Franklin County.

Your input will allow the partners to better understand the health status and needs of the community they serve and use the knowledge acquired to develop programs that benefit the community.

There are several ways to complete this survey:

Survey Monkey
